HIGH SCHOOL**

Community Partner:

The YMCA of Southern WV, Woodrow Wilson High School, Shady Spring High School, Independence High School, Visit Southern West Virginia and Beckley-Raleigh County Chamber of Commerce are proud to announce that Beckley and the YMCA Paul Cline Memorial Sports Complex will again be the host location for the 2016 WVSSAC High School State Soccer Tournament. This State Tournament gives us the opportunity to showcase Beckley and Raleigh County to attending teams and their families that will visit our area for the two-day event.

The State Tournament will again bring a significant economic impact to Beckley-Raleigh County as it has done in the previous 18 years. To ensure quality and economic benefit, the tournament requires participation from community partners in the form of monetary sponsorships, in-kind services, volunteerism, etc. Cooperation, in support of these efforts, among event partners will determine the success of the tournament and economic impact to the community.

The planning committee for the State Tournament appreciates your consideration to take this opportunity to support this state wide event that we are honored to host for a record 18th time. For more information on how you can become a vital partner in this event please see the attached sponsorship form or contact Dave Laraba, Executive Director, WV Soccer Association at 304-252-9872 x 303.

Sincerely,

2016 WVSSAC State Soccer Tournament Planning Committee
