Great Promotion for Restaurants - Bring your best cuisine for hundreds to sample and the opportunity to be judged as **the area's best!**

Good publicity and fund-raiser for organizations & churches!

Be a part of the 2015 Appalachian Festival and promote your restaurant or organization during **Beckley Events' Taste of Beckley**. As one of several events planned for the multi-day festival, *Taste* will take place on Saturday, August 29th from 6:00 – 9:00 p.m. in Uptown Beckley. The festive block party continues to grow as one of the area's favorite events. This year's entertainment includes – *The Chris Oxley Quartet, Piney Creek Canyon Band & 2 Johns*.

Local restaurants and organizations are invited to participate by setting up a booth and selling samples of cuisine. It is recommended that you price individual items under \$3.00 and sampler platters for \$6.00 or less because this event is intended to provide attendees an opportunity to sample several dishes. The event is a great way to reach hundreds, promote your establishment, and if you are judged as the best in any of the competition categories, you'll receive an award certificate.

Interested participants should complete the attached registration form and mail to Beckley Events, P O Box 5015, Beckley, WV 25801, fax to 304-256-1816, email to jmoorefield@beckley.org or call 304-256-1776 by **August 12th** so we can include you in festival publicity and provide list of participants to the Health Department.
